President's Report Nov 16 '09

Tonight is a special night for us, and again thanks go to Rod for both the concept and work in preparing for tonight. We have been referring to tonight as a "Surprise" night, but it should more appropriately be called an appreciation night. We all should take a bow and reflect on how our efforts have helped the community locally & nationally and internationally. Our partners support has been a vital part of our achievements and tonight we express our appreciation to them as well. Tonight we also recognize individual exceptional contributions but I'll say no more at this stage to protect the surprise part of our programme.

Tonight we also welcome Jane Hackel to our club. Jane comes to us with a history of running projects & fund-raising and will be a welcome addition to our club.

The official unveiling of our historical plinths is coming up soon, at 2.00 pm on Saturday 28th November 09. It would be great to have as many members and partners there as possible. Rod is also inviting representatives from the Bundaberg clubs. We are also checking the possibility of using the brick to sell drinks & ice-blocks on the day so may need volunteers.

Again thank you very much to all members and their partners for a job well done. Hope you enjoy the night.

JOKES

11. Man goes to the doctor, with a strawberry growing out of his head. Doc says 'I'll give you some cream to put on it.'

12. 'Doc I can't stop singing 'The Green, Green Grass of Home' That sounds like Tom Jones syndrome. "Is it common?" "It's not unusual.'

13. A man takes his Rottweiler to the vet. 'My dog is cross-eyed, is there anything you can do for him?' 'Well,' said the vet, 'let's have a look at him' So he picks the dog up and examines his eyes, then he checks his teeth. Finally, he says, 'I'm going to have to put him down.' 'What? Because he's cross-eyed?' 'No, because he's really heavy'

14. Guy goes into the doctor's. 'Doc, I've got a cricket ball stuck up my bottom.' 'How's that?' 'Don't you start.'

15. Two elephants walk off a cliff...boom, boom!

16. What do you call a fish with no eyes? A fsh.

17.. So I was getting into my car, and this bloke says to me 'Can you give me a lift?' I said 'Sure, you look great, the world's your oyster, go for it.'

18. Apparently, 1 in 5 people in the world are Chinese. There are 5 people in my family, so it must be one of them. It's either my mum or my Dad, or my older brother Colin, or my younger brother Ho-Cha-Chu. But I think it's Colin.

The 4-Way Test of things we think, say or do

1. Is it the Truth?
2. Is it Fair to all concerned?
3. Will it build Goodwill & Better Friendships?
4. Will it be Beneficial to all concerned?

ROTARY GRACE

We thank thee Lord for all things good
And break thy bread of brotherhood
May we be more blessed than we deserve
Think less of self and more to serve
